COVID-19 has impacted us all, from our freedoms to our employment, from struggling businesses to unwell family members, the only way back to our new normal is vaccination and every one taking the step to a jab is a critical step. Let's look at the key reasons to get the jab and how you can book or register for your vaccination.

1 PROTECT YOURSELF AND THE COMMUNITY

- > When you get vaccinated, you are protecting yourself and helping to protect the whole community.
